OVERVIEW OF NEW HIRE PORTAL

In order to complete the employment process, the Board requires new employees to provide employment information and fill out certain forms. The New Hire Portal is the Board's online system that allows new employees to provide the necessary information and fill out forms that can be completed before the first day of employment and prepopulate forms that must be completed in person. The New Hire Portal also informs new employees about certain Board policies and benefits.

PRIVACY ACT STATEMENTS

General personal information. General personal information includes biographic information such as name, social security number, date of birth, sex , and marital status along with contact information; demographic information such as citizenship; educational information; prior federal service and dependent information for federal transfers including information on spouses and dependent children; emergency contact information and relatives employed at the Board; and sign-on bonus information. This information is collected and maintained to assist the Board in its personnel actions and decisions, and in the administration of its benefits programs. In order to do this, we may disclose your information consistent with the routine uses listed in the Privacy Act System of Records Notice (SORN) for BGFRS-4 "FRB-General Personnel Records," including to any source from which additional information is necessary to obtain information relevant to the Board decision to hire or retain you; to contractors, agents, and others; and where the security or confidentiality of your information has been compromised. (The SORN is published at 73 FR 24984, May 6, 2008. The full list of routine uses is available here). We are authorized to collect your information by 12 U.S.C. §§ 244 and 248, and Executive Order 9397. In accordance with Executive Order 9397, we collect your Social Security Number so that we can keep accurate records, because other people may have the same name and birth date. Furnishing the information requested is voluntary; however, if you fail to provide the information on or before your first day of employment, the Board may decline to employ you or continue your employment.

Fingerprint information. Fingerprint information consists of eye and hair color, height, and weight. This information is collected and maintained to assist us in providing security of the Board's premises against unauthorized entry; to record entry to Board premises as well as entry into secured areas by authorized personnel; to record departure from Board's premises; to control access to certain areas within Board premises; and to determine who is present on Board property. In order to do this, we may disclose your information consistent with the routine uses listed in the Privacy Act System of Records Notice (SORN) for BGFRS-34, "FRB-ESS Staff Identification Card File," including to appropriate federal, state, local, or foreign agencies where disclosure is reasonably necessary to determine whether you pose a security risk; to contractors, agents, and others; and where the security or confidentiality of your information has been compromised. (The SORN is published at 73 FR 24984, May 6, 2008. The full list of routine uses is available here). We are authorized to collect your information by 12 U.S.C. §§ 243 and 248. Furnishing the information requested is voluntary. Failure to provide any of the information on or before your first day of employment may result in disapproval of your request for a Board identification card and for access to the Federal Reserve Board's premises and lead to the Board declining to employ you or continue your employment.

Ethnicity and Race Self-Identification/EEO. Records may also be used to disclose information to management as a data source for production of summary descriptive statistics and analytical studies in support of the function for which the records are collected and maintained, or for related personnel management functions or manpower studies and may also be utilized to respond to investigative or legal requests for statistical information (without personal identification of individuals). (The SORN is published at 73 FR 24984, May 6, 2008. The full list of routine uses is available here). We are authorized to collect your information by 12 U.S.C. §§ 244 and 248, Title VII of the Civil Rights Act, and the Equal Pay Act. Providing the requested information is voluntary and has no impact on your employment status, but in the instance of missing information, the Board will attempt to identify your race and ethnicity by visual observation.

Beneficiary information. The beneficiary information you provide is collected and maintained to assist the Board with its personnel actions and decisions, and in the administration of its benefits programs. PRIVACY ACT STATEMENTS

OVERVIEW OF NEW HIRE PORTAL

In order to complete the employment process, the Board requires new employees to provide employment information and fill out certain forms. The New Hire Portal is the Board's online system that allows new employees to provide the necessary information and fill out forms that can be completed before the first day of employment and pre-populate forms that must be completed in person. The New Hire Portal also informs new employees about certain Board policies and benefits.

PRIVACY ACT STATEMENTS

In order to do this, we may disclose your information consistent with the routine uses listed in the Privacy Act System of Records Notice (SORN) for BGFRS-4 "FRB-General Personnel Records," including to any source from which additional information is necessary to obtain information relevant to the Board decision to hire or retain you; to contractors, agents, and others; and where the security or confidentiality of your information has been compromised. (The SORN is published at 73 FR 24984, May 6, 2008. The full list of routine uses is available here). We are authorized to collect your information by 12 U.S.C. §§ 244 and 248, and Executive Order 9397. In order to do this, we may disclose your information consistent with the routine uses listed in the Privacy Act System of Records Notice (SORN) for BGFRS-34, "FRB-ESS Staff Identification Card File," including to appropriate federal, state, local, or foreign agencies where disclosure is reasonably necessary to determine whether you pose a security risk; to contractors, agents, and others; and where the security or confidentiality of your information has been compromised. (The SORN is published at 73 FR 24984, May 6, 2008. The full list of routine uses is available here). We are authorized to collect your information by 12 U.S.C. §§ 243 and 248. Furnishing the information requested is voluntary. The routine uses also include disclosing the information in connection with legal proceedings involving your employment and, where the information may be relevant to a potential violation of law, rule, regulation, order, policy, or license sharing it with appropriate ag encies. Designation of Beneficiary Unpaid Compensation of Deceased Employee

PRIVACY ACT STATEMENT

The information you provide is collected and maintained to assist the Board with its personnel actions and decisions, and in the administration of its benefits programs. In order to do this, we may disclose your information consistent with the routine uses listed in the Privacy Act System of Records Notice (SORN) for BGFRS-4 "FRB-General Personnel Records," including to any source for which additional information is requested to obtain information relevant to a Board decision to hire or retain an employee, conduct a security or suitability investigation, or let a contract, issue a license, grant, or other benefit. The routine uses also include disclosing the information in connection with legal proceedings involving your employment and, where the information may be relevant to a potential violation of law, rule, regulation, order, policy, or license sharing it with appropriate agencies. (The SORN is published at 73 FR 24984, May 6, 2008. The full list of routine uses is available here). We are authorized to collect your information by 12 U.S.C. §§ 244 and 248, and Executive Order 9397. In accordance with Executive Order 9397, we collect your and your beneficiaries' Social Security Numbers so that we can keep accurate records, because other people may have the same name. Furnishing the information requested is voluntary; however, your failure to provide any of the information may delay or prevent the receipt of benefits.

_____

I hereby designate the beneficiary or beneficiaries named below to receive any UNPAID COMPENSATION payable to me after my death and, in doing so, cancel any and all previous beneficiary designations I may have made for this purpose. This Designation of Beneficiary does not affect the disposition of any benefits which may become payable under the terms of any other employee benefit plan.

I UNDERSTAND THAT IF I DO NOT DESIGNATE A BENEFICIARY ON THIS FORM, MY UNPAID COMPENSATION WILL BE PAID TO THE PROBATE OR ORPHAN'S COURT (OR SIMILAR INSTITUTION) OF THE STATE WHERE I RESEIDED AT THE TIME OF MY DEATH FOR APPROPRIATE DISPOSITION IN ACCORDANCE WITH APPLICABLE STATE LAW. (Your residence will be determined by the most recent address you submitted to the Board for tax purposes (W-2 wage reporting) prior to your death.)
